

diplomerat event
SVENSK MILJÖBAS

Göteborgs Kulturkalas

The organizer of the event conducts systematic sustainability management and has, before the event, implemented sustainability measures in accordance with the requirements of the Svensk Miljöbas method for events. This means that the organizer has:

- Evaluated and documented the sustainability impact of the event
- Documented the sustainability measures that will be implemented during the event
- Ensured that employees and other stakeholders have relevant sustainability competence
- Passed an audit with approved results, prior to the event

The diploma applies during the period

8 July – 22 August, 2021

Stockholm 2021-07-08
